

# Arlene's Grocery Studio

Now Broadcasting LIVE courtesy of Livestream | [www.livestream.com/arlenesgrocery](http://www.livestream.com/arlenesgrocery)

Broadcasting and recording shows Tuesday through Sunday (Monday by request only).  
Should you NOT want your show broadcast or recorded, email [info@germrecordings.com](mailto:info@germrecordings.com)

## Recording Packages

### Basic CD Recording \$60

Isolated board mix separate from the mix upstairs. A studio engineer uses top quality gear to provide a pro-sounding and clean recording. The CD is available immediately after your show.

### Multitrack Audio \$150 (Pre-arranged)

If you prefer to mix your set yourself, take the individual tracks with you, (up to 24 tracks). Bring an external drive (MAC formatted firewire or usb) with approximately 5GB of space.

### DVD Recording with CD Recording \$120

Two stationary Panasonic DVX 100 cameras capture your set - one wide/one close. These two shots are mixed live and recorded to DVD

### DVD Recording with CD & MP4 Video File \$150

For \$30 more you get the compressed video file (MPEG4), ready for editing & uploading to your favorite website

### DVD Recording, CD, MP4 Video File, & (2) Mini DV tapes \$170

Raw Mini DV tapes from each camera allows maximum flexibility with video postproduction and editing

### In-house Videographer (roaming camera) \$150

(Pre-arranged) A third camera added to the mix to capture close-ups, artistic angles and solos
